

THE crimping, stripping and cutting EXPERTS

Solar System Tool for crimping of MC4 solar contacts (in a Box)

Includes: <ul style="list-style-type: none"> • Crimping Pliers in a box • Crimping MC4 Die Set for 2.5/4/6mm • MC4 Locator 			Description: This crimp tool is recommended for crimping of MC4 contacts. The excellent handling, easy exchange of the crimping insert bits and the possibility of adding a positioning aid are facts in favour of these crimping pliers.
Article No.:	624 570 3 1		
Price: (GST incl.)	\$527.33		

Solar System Tool for crimping of MC3 solar contacts (in a Box)

Includes: <ul style="list-style-type: none"> • Crimping Pliers in a box • Crimping MC3 Die Set for 2.5/4/6mm • MC3 Locator 			Description: This crimp tool is recommended for crimping of MC3 contacts. The excellent handling, easy exchange of the crimping insert bits and the possibility of adding a positioning aid are facts in favour of these crimping pliers.
Article No.:	624 194 3 1		
Price: (GST incl.)	\$516.54		

Solar System Tool for crimping of Tyco solar contacts (in a Box)

Includes: <ul style="list-style-type: none"> • Crimping Pliers in a box • Crimping Tyco Die Set for 1.5/2.5/4/6mm • Tyco Locator 			Description: This crimp tool is recommended for crimping of Tyco contacts. The excellent handling, easy exchange of the crimping insert bits and the possibility of adding a positioning aid are facts in favour of these crimping pliers.
Article No.:	624 817 3 1		
Price: (GST incl.)	\$618.77		

THE crimping, stripping and cutting EXPERTS

Solar System Tool for crimping of Huber & Suhner solar contacts (in a Box)

Includes: <ul style="list-style-type: none"> • Crimping Pliers in a box • Crimping H & S Die Set 			Description: This crimp tool is recommended for crimping of H & S contacts. The excellent handling, easy exchange of the crimping insert bits and the possibility of adding a positioning aid are facts in favour of these crimping pliers.
Article No.:	624 205 3 1		
Price: (GST incl.)	\$396.97		

Solar Crimp Set for MC3/MC4/Tyco

Includes: <ul style="list-style-type: none"> • Crimping pliers in a box • MC3 die set and locator (for 2.5/4/6mm) • MC4 die set and locator (for 2.5/4/6mm) • Tyco die set and locator (for 1.5/2.5/4/6mm) 			Description: This professional set has everything you need for crimping solar wire connections. All components are top-quality Rennsteig tools designed and made in Germany especially for the solar industry. For crimping of solar contacts from MC3, MC4 and Tyco.
Article No.:	624 105-01		
Price: (GST incl.)	\$1,222.65		

Solar Crimp Set for MC3/MC4

Includes: <ul style="list-style-type: none"> • Crimping pliers in a box • MC3 die set and locator (for 2.5/4/6mm) • MC4 die set and locator (for 2.5/4/6mm) 			Description: This professional set has everything you need for crimping solar wire connections. All components are top-quality Rennsteig tools designed and made in Germany especially for the solar industry. For crimping of solar contacts from MC3 and MC4
Article No.:	624 105-10		
Price: (GST incl.)	\$821.82		

THE crimping, stripping and cutting EXPERTS

Professional Solar Crimp Kit for Tyco-MC3/MC4

Includes:

- Insulation stripper for solar wire (AWG 1.5/2.5/4/6mm)
- Cable cutter (Max. wire cross-section: 50 mm²)
- Crimping pliers in a box
- MC3 die set and locator (for 2.5/4/6mm)
- MC4 die set and locator (for 2.5/4/6mm)
- Tyco die set and locator (for 1.5/2.5/4/6mm)

Description:

This professional set has everything you need for crimping solar wire connections. All components are top-quality Rennsteig tools designed and made in Germany especially for the solar industry.

For cutting, stripping and crimping of solar contacts from MC3, MC4 and Tyco.

Article No.: 624 105-06

Price: (GST incl.) \$1,364.96

Professional Solar Crimp Kit for MC3 & MC4

Includes:

- Insulation stripper for solar wire (AWG 1.5/2.5/4/6mm)
- Cable cutter (Max. wire cross-section: 50 mm²)
- Crimping pliers in a box
- MC3 die set and locator (for 2.5/4/6mm)
- MC4 die set and locator (for 2.5/4/6mm)

Description:

This professional set has everything you need for crimping solar wire connections. All components are top-quality Rennsteig tools designed and made in Germany especially for the solar industry.

For cutting, stripping and crimping of solar contacts from MC3 and MC4

Article No.: 624 105-02

Price: (GST incl.) \$987.60

Professional Solar Crimp Kit for Tyco

Includes:

- Insulation stripper for solar wire (AWG 1.5/2.5/4/6mm)
- Cable cutter (Max. wire cross-section: 50 mm²)
- Crimping pliers in a box
- Tyco die set and locator (for 1.5/2.5/4/6mm)

Description:

This professional set has everything you need for crimping solar wire connections. All components are top-quality Rennsteig tools designed and made in Germany especially for the solar industry.

For cutting, stripping and crimping of solar contacts from Tyco.

Article No.: 624 105-03

Price: (GST incl.) \$790.02

THE crimping, stripping and cutting EXPERTS

Solar Kit without Crimping Die Sets

Includes: <ul style="list-style-type: none"> • Tool without crimping dies Art. No. 624 000 3 • Cable shears D 15 (50mm) Art. No 700 016 36 • Insulation Stripper (1.5/2.5/4/6mm) Art. No 707 226 3 		Description: Basic Solar Kit
Article No.:	624 105-09	
Price: (GST incl.)	\$443.59	

Assembly Tool for mounting of MC3 couplers

Includes: <ul style="list-style-type: none">• AWG 14/12/10• includes 2 tapered spindles• Suitable for on-site use, on roofs, etc			Description: <p>Simplifies assembly of MC3 connections (put the rubber boot on the pin after it has been crimped to the wire).</p> <p>Ergonomic and easy to use. Up to 3 spindles can be stored in grip. Compact shape for easy storage and carry.</p>
Article No.:	725 000		
Price: (GST incl.)	\$228.17		

CSC Multifunction Tool (10/12 AWG) for MC4

<p>No more carrying around 3 different tools, when all you really want to do is make a connection.</p> <p>"CSC" stands for Cut - Strip - Crimp, and that's what this tool does.</p> <p>Unique in the industry!</p>			Description:
			<ul style="list-style-type: none">For cutting, stripping and crimping of solar contacts with just one tool.
			Options include other wire sizes and connector types
			<ul style="list-style-type: none">Burnished finishSolid construction, easy to handle
			For Multi-Contact "MC 4"
Article No.:	624 006 3 1 (6mm)		
Price: (GST incl.)	\$585.97		
Article No.:	624 004 3 1 (4mm)		
Price: (GST incl.)	\$585.97		

THE crimping, stripping and cutting EXPERTS

INSULATION STRIPPER

- Insulation Stripper for special application
- over 53 interchangeable blades for different wire ranges
- customized blade designs on request
- automatic release after operation
- solid construction, easy to handle

Description:

Special hand tool with length stop for high-quality stripping and dismantling of single and multi-wire cables.

Applicable for a great variety of insulations differing in hardness.

No pinching or deforming of cable ends by a special cutting mode.

Article No.:	607 206
Price: (GST incl.)	\$158.09

ASSEMBLY KEYS FOR MC4 CONNECTORS

Assembly Key for MC4 connectors

Description:

This absolutely ergonomic plastic open end spanner is for tighten and loosen of the cable gland.

You can use this key also for breaking connections (open the locking) after they have already been locked together.

Article No.:	R690 001
Price: (GST incl.)	\$5.72

COMPACT CABLE CUTTER WITH OPENING SPRING

- Model No. D15
- Finish Type Burnished
- Handles Reinforced plastic grips
- Length 170 mm (*similar to 6 11/16"*)
- Weight 210 g (*similar to 0.46 lbs*)
- Capacity 1/0 AWG
15 mm (*similar to 9/16"*)
50 mm² (*diameter of 5/16"*)

Description:

- Suitable for universal use for cutting and dismantling
- Automatic reopening by spring-loaded handles
- Easy and clean cutting by precision-ground blades
- Single and multiple wire
- **Clean and smooth cut without crushing or deformation**
- Lock closure and distance stops for high safety comfort
- Material: special tool steel, forged
- Not suitable for steel wire

Article No.:	R700 016 36
Price: (GST incl.)	\$47.27
